Births ... 106
Marriages ... 108
Deaths ... 110
Burials ... 111

The Selectmen of the Town of Sunapee are proud to dedicate the 1982 Annual Town Report to Richard C. "Mickey" Ruggles and Lawrence A. "Tom" Sanborn. Both of these men are long-time employees with the Sunapee Highway Department. The total combined years of dedicated service to the town by these men represents 65 years. We feel this in itself is a great achievement.

Richard C. "Mickey" Ruggles

Lawrence A. "Tom" Sanborn

Our sincere thanks and appreciation go to both "Mickey" and "Tom" for their years of excellent service to the town. We know that with this type of work many long hours are involved, not only during the daytime but quite often right through the night.

We want to wish them good health and many happy years of retirement.

"Mickey" Ruggles has worked for the highway department since 1945 after being discharged from the Service.

In 1971 he was road agent for the Center of Town and from 1972 to 1975 he was Road Agent for the Center and the North End. Since then he has continued with the department as a truck driver until his retirement as a full-time employee in October 1982, for a total of 37 years. He is continuing to work part-time for the department.

He has been a member of the Sunapee Fire Department Engine #3 since 1946, of which he has been Clerk for 22 years and also janitor for about this same period of time.

"Mickey" was a Special Police Officer for many years, serving under three former Chiefs, and still belongs to the Sullivan County Law Enforcement Officers Association.

He is presently serving as a member of the Sunapee Planning Board and also belongs to the Sunapee Historical Society.

"Mickey" has lived in Georges Mills all his life.

"Tom" Sanborn worked for the highway department from 1954 until his retirement in October 1982, a total of 28 years. He plans on working part-time for the highway department during the summer mowing season.

While working for the highway department during these years he was loaned out at various times to the Cemetery Department and Water Department.

His main occupation with the department was a truck driver. During some of this time he was involved with drilling ledge rocks in preparation for blasting when necessary. One thing "Tom" seemed to enjoy tremendously during his years of work was hand mowing with a scythe.

"Tom" has been a life-long resident of Sunapee.

A REPORT FROM THE SELECTMEN

In Sunapee, like most other towns and cities throughout the state, the property tax bill has come to be such a burden it is almost impossible to live with.

For two years in a row our tax rate has increased $3.20 per thousand dollars of valuation. The breakdown for the $3.20 increase for 1982 is as follows: $1.40 School District, $1.30 Town Government, and $.50 County Government. This increase brought the tax rate for 1982 up to $27.00 per one thousand dollars of valuation. This $27.00 is broken down as follows: $16.30 School District, $7.40 Town Government, and $3.30 for our County Tax.

We would like to mention at this time that improvements were made in several areas of town property which comes under the jurisdiction of the Selectmen. The town docks at Sunapee Harbor were rebuilt in the early part of 1982. Two roofs were replaced on the rest rooms in Sunapee Harbor, one is a storm-type roof and the other one a secondary flat roof as a place to hold the band concerts during the summer. The railing around this roof was replaced after having been completely destroyed by vandalism late in 1981. The town dock at Georges Mills was rebuilt along with the base of the diving board. Rocks in the beach area were cleaned up as well as other debris that keeps surfacing.

In closing, we would like to say that we are always open for comments and recommendations from all, and we certainly appreciate the cooperation we have received from the heads of the departments.

Respectfully submitted,

ERNEST L. CUTTING, II,
Chairman

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The polls will be open from 9:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sunapee in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the David W. Sherburne Gymnasium, located on Route 11, in said Sunapee on Tuesday, the 8th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

Pursuant to the terms of RSA 39:2-a, you are also hereby notified to meet at the David W. Sherburne Gymnasium in said Sunapee on Saturday, the 12th day of March next, at ten of the clock in the forenoon, to act upon Article 2 thru 44 as set forth in this Warrant.

ARTICLE 2. To see if the Town will vote to take any necessary action on Article 3 and Article 4 prior to consideration of Article 5 relative to the issuance of bonds for the hydro project.

ARTICLE 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE 4. To hear the reports of the Selectmen, Treasurer, Auditors, Committees and/or other officers heretofore chosen.

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum not to exceed $1,200,000.00 for the purpose of the development or re-development of a hydroelectric generation facility on the Sugar River, such sum to be raised by the issuance of Serial Bonds or Notes under and in compliance with the provisions of N.H. RSA 33 (The Municipal Finance Act) and N.H. RSA 374-D, as amended, the payment of interest and principal of which notes or bonds to be secured by the revenues derived from the facility or the full faith and credit and taxing power of the Town, or both, and to authorize the Selectmen to issue and appropriate such bonds or notes, to fix the date of issue, the maturities, the denominations, the interest rates, the place of payment, the security therefor, the form and the other details of said bonds or notes, to provide for the sale of said bonds and notes, and to

take all such actions with respect to the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Sunapee, and as they shall deem reasonably necessary and appropriate to carry out the purposes hereof, and pass any vote relating thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate the following sums of money for the Expenses of General Town Government; Town Officers' Salaries $26,800.00; Town Officers' Expenses $34,000.00 and authorize the withdrawal of $12,000.00 for this purpose from the Federal Revenue Sharing Fund; Election and Registration Expenses $1,500.00; Repairs and Expenses of Town Property $26,700.00 and authorize the withdrawal of $12,000.00 for this purpose from the Federal Revenue Sharing Fund; Appraisal of Property $2,500.00 and pass any vote relating thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate the following sums of money for the Protection of Persons and Property; Police Department $99,346.68; Fire Department $37,175.00; Planning Board $1,000.00; Damage by Dogs $1,000.00; Insurance Fringe Benefits $31,000.00; Conservation Commission $500.00; Civil Defense $200.00, and pass any vote relating thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the following sums of money for Health and Sanitation; Health Officer $1,200.00; Newport Hospital and New London Hospital $3,500.00; Newport Ambulance Service $5,202.00; Kearsarge Visiting Nurse Association $4,693.65 and apply approximately $200.00 to be received from the Emerson Trust Fund toward this amount; Vital Statistics $60.00; Town Dump and Transfer Station $45,000.00 and authorize the withdrawal of $10,000.00 for this purpose from the Federal Revenue Sharing Fund, and pass any vote relating thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the following sums of money for the Repairs of Highway and Bridges: Town Road Aid $1,135.92 (the State will contribute $7,572.79); Town Maintenance Summer $84,833.00; Town Maintenance Winter $77,166.00; Street Lights $24,000.00; General Expenses and Road Oil $52,725.00; Machinery Maintenance $23,152.00, and pass any vote relating thereto.

ARTICLE 10. To see if the Town will authorize the Selectmen to spend the sum of $16,254.56 to be used for the improvement of highways and bridges plus an estimated sum of $10,480.23 to be used for the purpose of construction and reconstruction of Class IV and V highways. These monies are a State Subsidy.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of $22,801.00 for the maintenance of the Abbott Library and pass any vote relating thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of $10,000.00 for Town Poor and $3,500.00 for Soldiers Aid and Old Age Assistance and pass any vote relating thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of $23,500.00 for the Recreation Committee and $2,400.00 for Band Concerts to be held at Georges Mills and Sunapee Harbors, and pass any vote relating thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of $82,130.00 to operate and maintain the Sewer Department in anticipation of income and pass any vote relating thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of $47,990.00 to operate and maintain the Water Department in anticipation of income and pass any vote relating thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $3,800.00 for the General Maintenance of the Cemeteries and pass any vote relating thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate $6,000.00 for Legal Expenses, and pass any vote relating thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate the following sums of money; Information Booth $2,800.00; Dartmouth-Lake Sunapee Region $738.00; Upper Valley-Lake Sunapee Council $250.00; and pass any vote relating thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $32,000.00 for Social Security and Retirement Insurance and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for a Contingency Fund, and pass any vote relating thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of $12,000.00 for the Interest on Temporary Loans, and pass any vote relating thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of $10,505.50 for payment of the Water Bond Interest and $18,370.00 for the Water Bonds, $10,000.00 Water Department income to be applied to payment of the above amount and pass any vote relating thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of $67,500.00 for payment of the Sewer Bond and $62,900.00 for Bond Interest, $43,027.00 of this amount will be refunded to the Town through a State Aid Grant plus $4,798.72 will be received from the Town of New London for its' share of this payment, and pass any vote relating thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate $500.00 for the maintenance and updating of the Town of Sunapee Property Tax Map and pass any vote relating thereto.

ARTICLE 25. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes for the year 1983-84, and pass any vote relating thereto.

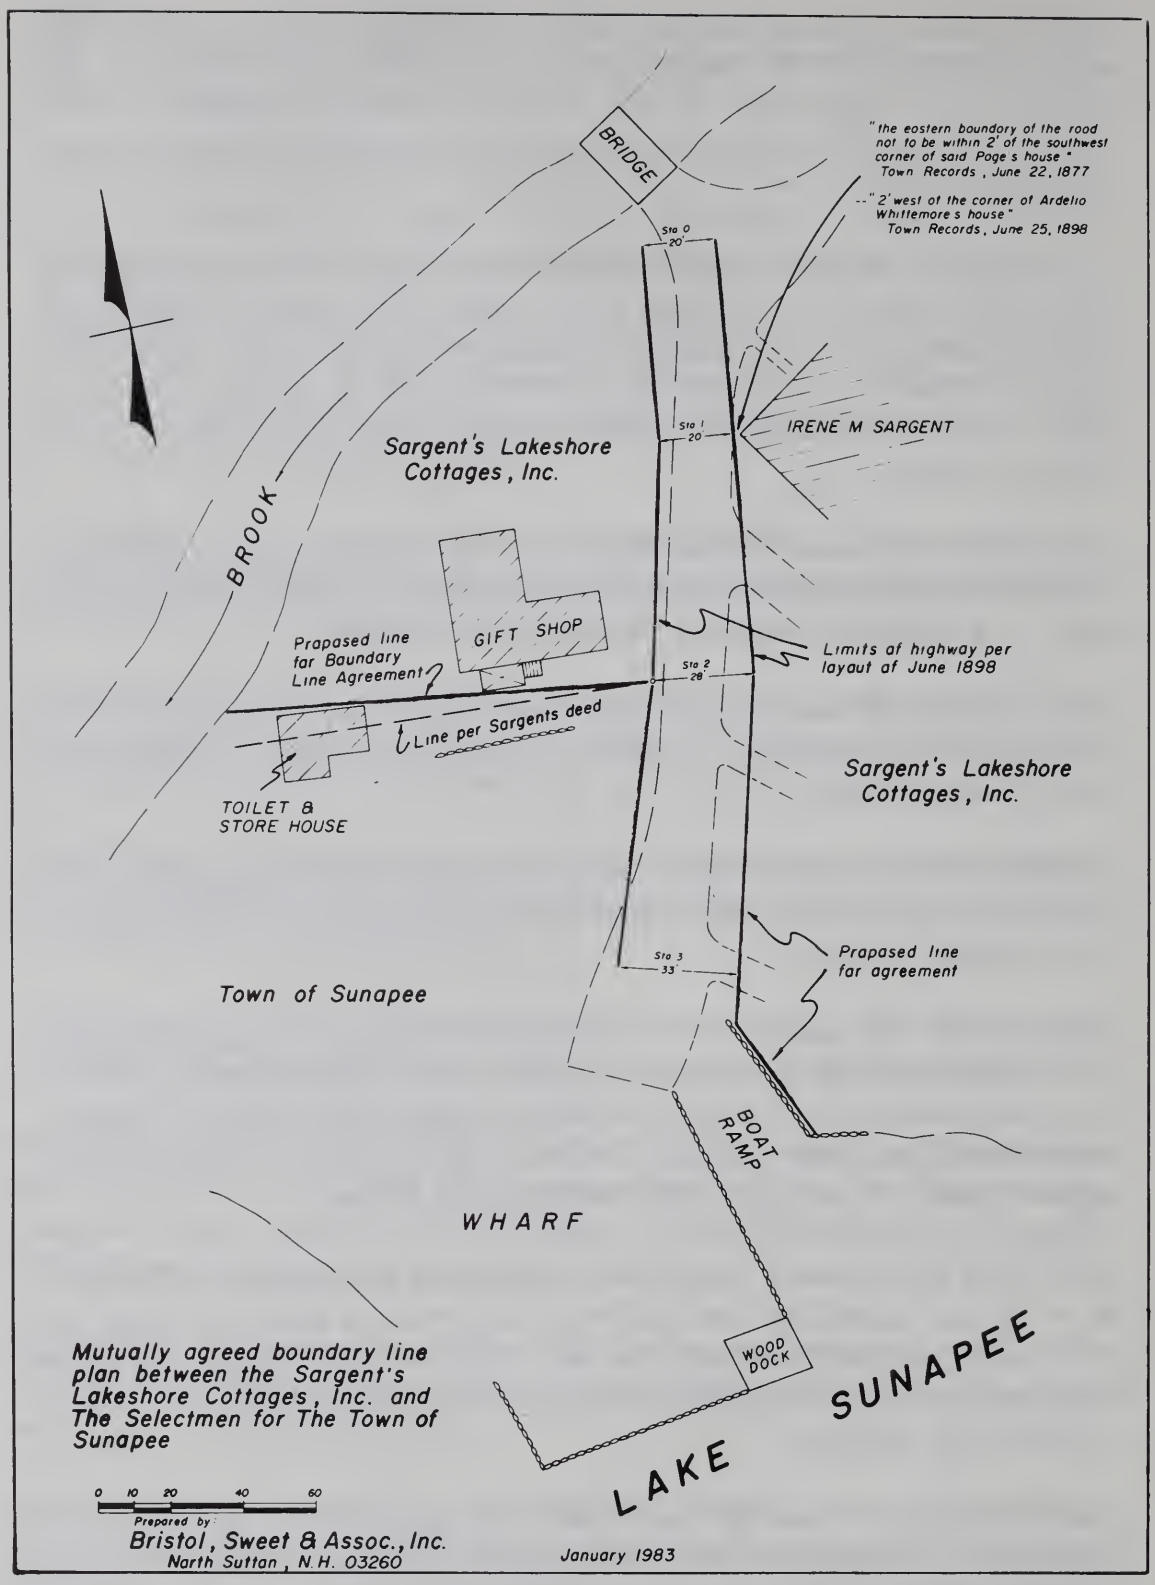

ARTICLE 26. To see if the Town will vote to raise and appropriate $50.00 for expenses of the Memorial Day Committee, and pass any vote relating thereto.

ARTICLE 27. To see if the Town will authorize the Selectmen to enter into a boundary line agreement with Sargents' Lake Shore Cottages, Inc. in accordance with a report and plan prepared by Bristol, Sweet & Associates, Inc., dated January 1983, a copy of which is reproduced on pages 14 and 15, and pass any vote relating thereto.

ARTICLE 28. To see if the Town will vote to appropriate $10,000.00 for a ¾ ton truck for the highway department and authorize the withdrawal of $5,000.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

ARTICLE 29. To see if the Town will appropriate $1,764.60 as Sunapees' share of the Sullivan County Regional Refuse Disposal District budget, and pass any vote relating thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of $2,500.00 for the Fire Department to purchase insulation materials for the substation in Georges Mills and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund, and pass any vote relating thereto.

REPORT concerning PROPERTIES of TOWN of SUNAPEE AND SARGENT'S LAKE SHORE COTTAGES, Inc., near WOODSUM STEAMBOAT WHARF, at LAKE SUNAPEE, GEORGES MILL, New Hampshire.

Two problem areas were investigated: 1) the road to Lake Sunapee easterly of the former steamboat wharf, westerly of the site of Elm

Lodge, now property of Sargent's Lake Shore Cottages, Inc.; and 2) the boundary line between the Gift Shop property and Town of Sunapee land where a public toilet building is located.

1) **The Town Road.** From the Town records, 1875-1887, page 79 and following, it is ascertained that the road from the bridge over the brook that runs from Otter Pond to Sunapee Lake, to the shore of Sunapee Lake, was first laid out June 22, 1877. This first highway was described as being one rod wide through land of Stephen D. Page. And the "easterly boundary of the road **not** to be within two feet of the southwest corner of said Page's house". Through the land of Rhoda Hutchins to the shore of the Lake the road being 1.5 rods wide. The description followed the center line of the road as laid out.

The 1877 road was widened and straightened by the Selectmen by a layout dated June 25, 1898. See Town Records, 1888-1899, page 528 and following. In this description the easterly line of the road is the side from which the dimension of width is made. Station 0 to Station 1, the width is 20' (twenty feet); from Station 1 to Station 2 the road "splays' out to be 28' (twenty-eight feet) at Station 2; and on reaching Station 3 becomes 33' (thirty-three feet).

In the 1898 description, as in 1877, there is particular note made that the easterly side of the road is at a point two feet (2') west of the house: "—2' west of the corner of Ardelia Whittemore's house". Research indicates that the Page, Whittemore, Irene Sargent house are one and the same.

The above mentioned 1898 layout is shown on the accompanying plan.

2) Boundary between Gift Shop property and Town of Sunapee Land (near a public toilet building).

The Gift Shop tract was subdivided out of a larger tract, Emily B. Davis to George F. Slade, May 22, 1915, Warranty Deed, Book 188, Page 312, Sullivan County Records. The definition of this parcel is the same when conveyed by the heirs of George F. Slade to John A. and Irene A. Sargent, June 4, 1959, Book 368, Page 443 (S.C.R.)

The boundary of concern is described in these instruments as: 'North 84 degrees 30 minutes West, about 106', along said steamboat company's land, to an iron pipe on the bank of (said) brook.' The beginning point of that line being 130', more or less, southerly along the westerly side of the road from Georges Mills Post Office to the Steamboat wharf, from the south side of the brook running from Otter Pond to Sunapee Lake.

In laying out the boundary described in the deed the line runs through the toilet building; see accompanying plan.

ARTICLE 31. To see if the Town will vote to transfer the "Cemetery Land Fill" account of $913.00 and the amount of $250.00 received from the sale of Cemetery Lots during 1982 to the present "Capital Reserve Cemetery Lot Fund", and pass any vote relating thereto.

ARTICLE 32. To see if the Town will vote to appropriate $4,500.00 to conduct an audit of the towns' financial accounts in order to satisfy Revenue Sharing requirements, and pass any vote relating thereto.

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to grant access over Town of Sunapee property (old dump) to the South and East property line of land of Mary Norris, to Mary (Polly) Norris. This right-of-way is to be transferrable if property is sold, with no weight restrictions, and pass any vote relating thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of $50,000.00 to rebuild the horizontal water turbine at the Sunapee Water Department Pump Station, and pass any vote relating thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of $2,678.04 for water improvements, and pass any vote relating thereto.

ARTICLE 36. To see if the Town will vote to appropriate $33,000.00 in order to purchase the Public Service Company of N H power house and land and authorize the withdrawal of $16,500.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of $50,000.00 for the Fire Department to upgrade the ladder truck, and pass any vote relating thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of $5,600.00 for the purchase of one new 5.5 cubic yard sand spreader hopper, and pass any vote relating thereto.

(by petition)

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for Community Youth Advocates, Inc. in order to assure continued services and counseling for the young people of this community, and pass any vote relating thereto.

(by petition)

ARTICLE 40. To see if the Town will vote to install 2,800 feet of 8 inch ductile iron water pipe along Oak Ridge Road to supply year-round water with two hydrants at a cost of $79,999.00, and pass any vote relating thereto.

(by petition)

ARTICLE 41. To see if the Town will vote to accept the Georges Mills survey as drawn and recorded by the licensed surveyor, Allan Swanson, Inc. and also to approve $500.00 for the setting of the pins, and pass any vote relating thereto.

(by petition)

ARTICLE 42. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Sunapee and to the health and welfare of the people of Sunapee.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

(by petition)

ARTICLE 43. To see if the town will vote to ask the Board of Selectmen to convey to the New Hampshire Congressional delegation the sense of this meeting to the effect that THE CITIZENS OF THE UNITED STATES HAVE THE OBLIGATION TO KEEP OUR COUNTRY A FREE NATION; TO KEEP IT STRONG ENOUGH TO DETER ANY POTENTIAL AGRESSORS; AND TO WORK TOWARD ULTIMATE REDUCTION OF WORLD ARMAMENTS.

(by petition)

ARTICLE 44. "Shall the citizens of Sunapee ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to:

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries."

(by petition)

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and eighty three.

ERNEST L. CUTTING, II
MARYLOU D. SMITH
GEORGE I. WIGGINS
Selectmen of Sunapee, N.H.

Auditors, Town of Sunapee

REPORT OF THE ABBOTT LIBRARY
For the Year Ending December 31, 1982

The library has been busy this past year with new programs, activities and improvements. The activities include: participation in the Home Safety Fair sponsored by the Sunapee Fire Dept., our annual spring plant sale, proceeds are for the children's summer reading program. Special programs include: Great Decisions sponsored by the New Hampshire Council on World Affairs, children's summer reading program with family cookout, Acid Rain film and lecture, workshops on stenciling, quilting and wreath making, annual Book Fair and our 3rd annual Christmas egg-nog and cookie week.

Improvements and additions to our collections include: 1,093 books, 6 magazines, 58 records, megnatite inside storm windows, Toshiba copier, IBM electric typewriter, lawn mower, snow shovel, card catalogue and double stack.

The Friends of Abbott Library gave us a great deal of help this year. Their activities include participation in United Way Fun Day, Book Fair Day, Thanksgiving Pie Sale, membership drive and bake sales. The proceeds of their fund raising provided a puppet show by the Little Red Wagon, Rick Fayan and Friends from Pooh Corner for a storytime in July, $250.00 towards the Toshiba copier, $500.00 towards the IBM typewriter. They are now raising funds to provide the landscaping along the front of the library.

The Expansion Fund Raising Committee has been busy with a fund raising letter, two raffles, Pig-Out and Boogie (chicken barbecue & dance), silent auction, "Eggs MacMastin", breakfast by Remmie and Sherri Mastin.

Balance as of 12/31/81	$17,620.37
Donations, fund raising proceeds, interest, memorial donations in the name of: Ella Alexander, Frances Elford, Robert Fable, Albert Putonen	14,569.53
Total	$32,189.90
Paid to McGray & Nichols Const. (for construction of outside of building)	25,185.00
Balance as of 12/31/82	$ 7,004.90

Library use has increased considerably this year, we served 9,572 patrons, (8,768 last year); circulated 16,916 books, magazines and records, (15,177 last year); 7,837 copies, (832 last year) and registered 180 new patrons.

I wish to express my thanks and appreciation to the Trustees and all those who have worked so diligently on the various committees.

Respectfully submitted,

PATRICIA HAND
Librarian

REPORT OF THE BEN MERE COMMITTEE
Year of 1982

During 1982 the Ben Mere area, our park at the head of the Harbor, was maintained in an attractive manner with the cooperation, and through the efforts of the Selectmen and Town Services.

The upper level area, was mowed in the fall to prevent scrub growth. The parking area was used frequently and continued to serve the automobile space needs of visitors to the Harbor.

During United Way Fun Day in July, the park served as an area for exhibition displays and games which generated income for the cause and gave pleasure to the many participants and visitors. It should be noted that after this heavy traffic, the area was left in immaculate condition due to the efforts of those in charge.

Sunapee residents are reminded that the Ben Mere Park is continually available, on a no fee basis, for clubs, organizations, church groups, etc. who wish to use the area for worthwhile causes. The more use the better. Arrangements may be made by contacting any of the following committee members: Ernest Cutting, II, Richard Webb, Jean Putonen, Richard Morse, Richard Warner, Frank Hammond, Babe Sargent, George Wiggins, Marlene Osborne and John McGrath. Also recommendations for further use and development of the area will be welcomed by the Committee.

Respectfully submitted,

JOHN F. McGRATH
Chairman

COFFIN MEMORIAL PARK COMMITTEE
ANNUAL REPORT

Balance on hand January 1, 1982	$ 26.74
Received from Trustees of Trust Funds	1,100.00
TOTAL	$ 1,126.74
Expenditures:	
Fertilizer, Plants, Grass seed	$ 137.11
Mower Repairs, new mower, gas and oil	299.12
Contracted upkeep of park—mowing, etc.	640.00
TOTAL	$ 1,076.23
Balance on hand December 31, 1982	$ 50.51

Respectfully submitted,

WILLIAM C. LARY
Treasurer

1982 ANNUAL RECREATION COMMITTEE REPORT

In the past year a new Senior Citizens group has been formed. There are fifty two members now and they meet twice a month. Their trips to the Isle of Shoals and Boston were a huge success. Anyone interested in joining may contact Rita Morse or Cecil Hills.

Swimming lessons were up again this year. There were two hundred students participating. The range was from pollywogs to Senior Life Saving. CPR and First Aid were also taught.

Ed Wiggins reports that there were two Farm Teams, two Little League Teams, one Babe Ruth Team and three Softball Teams. He expects even more out for the Spring Season.

The Summer Soccer program has been growing each year. There are fifty participants now with two teams.

The skating rink was well used again, although there wasn't any skating in December because of the lack of snow and warm weather.

The survey of the Georges Mills property was finished by the Allan Swenson Corporation and is ready for the pins to be set.

Respectfully submitted,

AUDREY KELLY
Secretary

REPORT OF THE SUNAPEE HEALTH OFFICER

The following inspections were made by Health Officer, John Wiggins:

Test Hole Examinations	56
Sub-division Examinations	3
Day Care or Foster Home Examinations	3
Septic or Sewer Spillage Problems	14

SUNAPEE HISTORICAL SOCIETY

The March meeting was held in Georges Mills, at the home of Mrs. Charles Almeder, for an evening of history as she remembered it. The meeting is on tape for our oral history library.

On United Way Fun Day in July, we had an exhibit of pictures and other memorabilia of Sunapee. Also in July was the annual Arts and Crafts show in the David W. Sherburne gym, under the direction of Mrs. Louella Laro, 1983 will be the tenth year of the arts and crafts show.

At the August meeting, Mr. Richard Mitchell of Hinsdale, N.H., spoke and showed slides of old steam boats of Sunapee. The meeting was well attended.

During the year the meeting room was built at the museum. We want to thank Norm Perkins for his hard work and overseeing of this project. Also, the many people who helped work on it and the other projects we had throughout the year.

Respectfully submitted,

LINDA GARDNER
President

SUNAPEE INFORMATION BOOTH

With the price of gas being quite stable, tourist business this summer was heavier than last summer.

The 49th anniversary of the craftsmans' fair which was held at the state park this year, was the busiest time at our information booth.

The running of the Mt. Sunapee and the Mt. Kearsarge restaurant boat were a great attraction also.

The daily gondola rides up the mountain, even while the gondola was shut down for the construction of the winter snow-making machinery, did not keep the tourists away.

The motor and trailer homes that stopped for information were not as many as last summer, but we did give out thousands of state maps to tourists that did stop.

This year we had people from Japan, Hawaii, Switzerland, Germany, and England which was the best summer ever, in giving information to the foreign visiting tourists.

Respectfully submitted,

ROXANNE PATTENDEN,
Manager

NEWPORT AMBULANCE REPORT
1982 REPORT
(Sunapee)

The ambulance has been in service for 809 recorded patients and stand-bys, such as fires and community affairs. It has included the Towns of Newport, Grantham, Croyden, Sunapee and Goshen for coverage.

The crew members have actively participated in acquiring greater knowledge and skills through attendance at classes and drills, to enable the members of the squad to give the best of possible care to each and every person with whom we have to deal on the many calls made throughout this past year and also in the future.

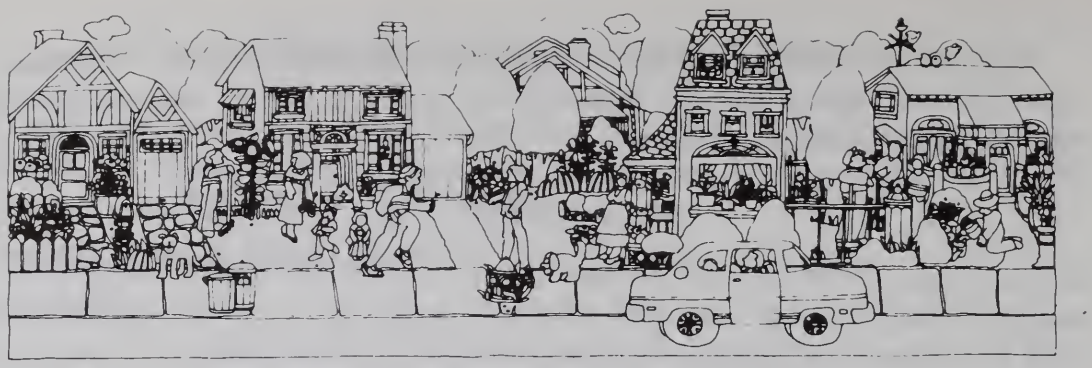

We have transported patients to the many hospitals throughout New Hampshire, Massachusetts and Vermont. This is a twenty-four hour a day service, and it has been a very active year.

It is not easy to give up sleep, vacation time or holidays to take care of the sick and injured, but that is what this service is all about. Call it dedication to our fellow human being or maybe it is just that we care a great amount about the human race. In the next year we will try our best to be there if you need or want our services.

The following people make up the ambulance squad: Ellen and Peter Mahair, Gail Ford, Brian Tracey, Keith Gregory, Terry Frye, Darlene Gregory, Barbara Harrington, Bethany McAllister, Warren and Linda Jensen, Ronald Wood and Harold Tillson.

Sincerely,

CLARICE "BABE" FRYE, R.N.
Director

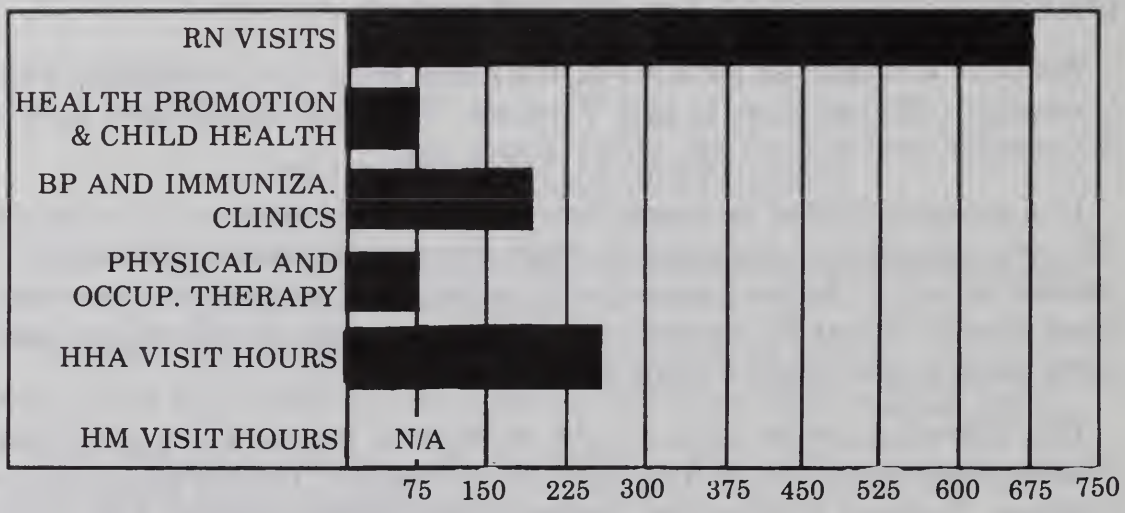

"HEALTH BEGINS AT HOME"

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to provide personalized health care to the residents of your community. We serve people of all ages and all walks of life. Our professional staff works with physician and family to provide comprehensive health services at home. We are also able to offer many free health programs without an increase in your town appropriations for the fourth year in a row. Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Visits to your town are reflected in the following graph.

If you know of someone who needs help, please call us at 526-4077. We will give a free evaluation visit with follow-up and referral as needed.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on the Kearsarge VNA Board of Directors are:

Mr. Joseph Harrison
Mrs. Priscilla Sargent
Mrs. Cynthia Wiggins

SUNAPEE PLANNING BOARD

The report of the Sunapee Planning Board Chairman to the 1983 Annual Town Meeting.

This has been a quiet year for requests for subdivisions of property. Most of our applications have been minor subdivisions or boundary adjustments and lot size changes of previously approved plans.

We did hold two open public hearings to discuss the advisability of limiting the size of the lots in the town of Sunapee. These meetings were held as exploratory meetings due to the concern of some of the members that there was beginning to be a proliferation of rather small lots along the lake shore and in the town itself. The discussion centered around the suggestion of limiting the lot size: on the town sewer to a minimum of ¾ of an acre; and off the town sewer to 1¾ or 2 acres.

Though there was some interest shown at the meetings for this type of minor zoning regulation, the attendance was sparce and the Board could get no feeling from the community on this matter.

Since there was never a clear agreement on the Board, the subject was dropped, and probably will not be reconsidered until there is shown a greater interest by the voters of the town as evidenced by a petition duly presented to the Selectman.

Respectfully submitted,

FRANK SIMPSON
Chairman

DOG WARDEN REPORT

Phone Calls	110
Dogs Taken To Pound	21
Dogs returned to owners	12
Restraingin orders issued	35
Fines Taken In	$210.00

In the past year the Sunapee Police Department responded to a variety of calls. Through increased residential patrols during the evening and night time hours, the burglary rate has declined. The reported thefts for the year 1982, however, have increased, most being reported during the daytime hours and having occurred mostly on weekends in the summertime.

There has also been an increase in violent crimes, such as assaults and domestic violence. Locally and nationally, statistics show violent crimes on the increase. Most of this increase can be attributed to the economy. Unemployment and inflation have always been a factor in an increasing crime rate. The economy, it is said, will be on the upswing by the end of 1983. As things begin to return to normal, it is hoped that we will begin to see a drop in crime.

Laws have changed drastically in the last decade making law enforcement much more difficult. Civil Liberties Union lawyers are working very diligently in an attempt to defend criminals and, in doing so, have found many loopholes that cause liberal judges to find more people not guilty of crimes simply on a mere technicality.

I ask you to become more involved in helping to reduce the crime rate. Don't hesitate to call the police if you see a suspicious car or person in your neighborhood. It may be a false alarm, however, the law of averages will make ten false alarms worth the effort when one real alarm is answered.

Thank You,

JOHN F. TAYLOR
Chief of Police

REPORT OF THE SUNAPEE HYDRO COMMITTEE

We are pleased to report that interest rates have decreased enough to warrent consideration of construction of the Hydroelectric Project this year.

All necessary agencies have been contacted and an exemption from a Federal License has been obtained from the Federal Regulatory Commission.

Our engineering firm of Kleinschmidt and Dutting have obtained quotations for major items and compiled a project cost analysis. Initial site survey and geotechnical work for final design has been completed.

An option has been obtained from Public Service Co. of N.H. to purchase the previous Power Plant building and land. We think this should be purchased this year even if the main project is not approved.

Respectfully submitted,

ERNEST L. CUTTING II
DELNOCE W. GOUBERT

Paid to State Treasurer, from Marriage Licenses (as per Chapt. 223 HB 466)	221.00	

I certify the above returns to be correct to the best of my knowledge and belief.

Respectfully submitted,

JEAN W. PUTONEN
Town Clerk

SUNAPEE WATER DEPARTMENT

The water department has had an unusually busy year with our maintenance program, we have had several major water main breaks and service leaks, this is more than normal per year.

Several years ago we started replacing our old galvanized summer water mains that were undersized and used way beyond it's life expectancy and also causing a lot of problems as well as costly repairs. Eight years ago we had nearly seven miles of summer water mains that were all galvanized pipe. Each year we have replaced a portion of this pipe with either year round water main or with new plastic water mains, we now have approximately eight thousand feet of three inch galvanized pipe to replace.

With our water improvement program, we have replaced a fire hydrant on 103-B and also installed a valve so we may work on the hydrant without interrupting the rest of the system, also repairs were made to several hydrants.

The water department has pumped it's water supply with water power for fifty plus years, this year we will need major repairs to our pump station estimated at forty to fifty thousand dollars, this major repair work will allow us to continue pumping water for another fifty plus years.

On January 5, 1983, the State Water Resources Board notified the water dept. to stop pumping with water power due to the low lake level caused by below normal rainfall this past summer, conservation efforts on our part has helped prolong this shut down through the season but until the lake fills to a normal level, we will have to pump with an electric pump. We urge that everyone on our water system to conserve water.

The water and sewer commission has regular scheduled meetings the last Thursday of every month.

Respectfully submitted,

HENRY CUNNINGHAM
Superintendent

REPORT OF THE SUNAPEE WATER POLLUTION CONTROL PLANT AND PUMP STATIONS

The joint venture by the towns of New London and Sunapee continues to operate without any major problems. Minor problems are being corrected by the increasing cooperation and experience gained by the operating personnel of both towns.

The expenditure of $13,000 for electrical power in 1981 was considered unacceptable by the plant operators, and a concerted energy conservation effort was launched in 1982. The installation of a wood stove was completed in late January and resulted in a savings of approximately $2,000 in 1982. Through judicious use of plant electrical equipment we were able to reduce the kilowatt usage from the previous year by 40%, with no effect on our operational processes. Overall the plant operators lowered total power costs by $6,265.42 from the 1981 expenditure.

The sludge storage tank went through the winter of 1981-82 without any freezing problems, due to the covering and insulating of the tank. The work on the tank has proven to be a worthwhile endeavor as the operators were able to utilize the tank throughout the winter greatly enhancing the operational process.

Robert Urban was elected by the New Hampshire Water Pollution Control Association as one of the two operator representatives on the State Certification Board of Wastewater Treatment Plant Operators. The two year term began in March 1982, and shows Sunapees commitment to the proper education and training of treatment plant operator's not only at the local level, but statewide as well. Mr. Urban becomes the second Sunapee operator to sit on the board, replacing Dennis Wells whose term expired in February 1982.

The public is always welcome to visit the treatment plant during normal working hours. Both operators and myself will be glad to show you around and explain the processes involved.

Respectfully submitted,

ROBERT A. URBAN
Chief Plant Operator

Report for Sullivan County, District #3
Town Representative to the General Court—Farrell J. Quinlan

We started our second term in Concord at the state Capitol serving you and the town of Sunapee on the state and county government level, January 5, 1983. We in the legislature, due to a special session, have been serving since the last session on committees and our regular legislative work.

I have served on the Labor, Human Resources and Rehabilitation Committee for the last two terms and have chaired two subcommittees. The County government is more demanding than you might expect, due to the home rule concept, which keeps a lot of costs for human services closer to the voters and out of the state bureaucrats domain. The county delegates authorize and budget five and one half milion dollars to be spent at the direction of the County Commissioners. I serve on the Budget Committee and the Building Needs Committee, which are the two most active. With the aid of Sunapee selectmen, especially Ernie Cutting, Chairman, we have introduced some legislation to give Sunapee more representation and more say as to how our large share of County taxes are spent. Another piece of legislation I am introducing will promote safety in boating on the waters of New Hampshire. I work closely with the Honorable Senator George Wiggins, who is as concerned about local affairs as I am.

My philosophy for representing you in Concord is to keep in mind what is good for our citizens and the families that make up our community and serve them, and not some political party, faction or special interest group, who have their own interest in view.

Respectfully submitted,

Farrell J. Quinlan, Representative
Town of Sunapee

REPORT OF THE ROAD AGENT

This year gave the Highway Department the opportunity to continue on our usual tasks, as well as taking on several special projects.

One of my top priorities was to continue to skim and oil some of our streets that were becoming badly out of shape. This program was started the previous year, but lack of funding prevented us from oiling. However, this was not a wasted effort. Elm Street and the south side of Winn Hill

Road, which we had prepared for oiling last year were done this past summer.

In addition to this, our department also took on two special projects that were largely, but not totally state funded.

The first project was to make a suitable turnaround at the end of Beech Street which had always posed a hazard turning a plow truck around. Thanks to very cooperative landowners on both sides of the street, this project was made possible.

A large amount of muddy material was removed and replaced with heavy road gravel. Fifty feet of 12 inch drainage pipe was also installed to alleviate a water problem that had previously existed. The second project was a continuance of one that we started last year.

During the late summer of 1981, we mucked out four to five feet of clay on a stretch of North Road known as Hasting's Hill, and replaced it with the same amount of gravel. This stretch of road held up very well this spring so we continued on this year with the same method. However, about three hundred feet up the road we struck a snag. Ledge rose to the surface of the road within fifty feet of a house. After consultation with the Board of Selectman and State Engineers, we decided that blasting the ledge with a house that close would be too risky. Instead, we drained around the ledge with 6 inch underdrain culvert and five inch trap rock. This method worked well, so the roadbed was finished and hot topped in mid-October.

Two bridge projects came up last year that we had not anticipated. The first was a small wooden bridge replacement on Avery Road. The second project was to repair the bridge on Paradise Road. After we got a good look at the bridge, we decided that it was beyond repair. Instead of replacing the bridge, we installed two five foot in diameter culverts with headwalls, concrete curbing and steel railing.

In closing, I would say that 1982 was a year of much progress on our highways and bridges. If you have any questions or comments feel free to call me at work or at home.

Respectfully submitted,

VAN E. WIGGINS,
Road Agent

REPORT OF THE SUNAPEE CONSERVATION COMMISSION

The Sunapee Conservation Commission after considerable investigation accepted a parcel of land (about 7 acres) from Larry Spaulding of New London.

The land is located just north of Interstate 89 south of Springfield, N.H. abutting New London town line. This is wet land and can be used only as a bird and animal sanctuary.

Thank you,

ERNEST TOWNE
Chairman

SUNAPEE FIRE ENGINEERS REPORT

From December 1, 1981 to November 30, 1982 your Fire Department answered a total of 154 alarms, an increase of approximately 20%. Of these alarms, fire related responses increased from 66 in 1981 to 78 in 1982, and medical related responses increased from 65 in 1981 to 76 in 1982.

During the Fall of 1982, the department started a dry hydrant program. Two existing dry hydrants were repaired and our new ones were installed. All labor was volunteered by members of the department and all equipment time was donated by area contractors. These dry hydrants in conjunction with the new large diameter hose will afford better fire protection, particularly in areas of the town not served by the municipal water systems.

Again, your department urges you to properly maintain any solid fuel burning devices and vents. To paraphrase — Only you can prevent chimney fires.

Also, please remember:

SMOKE DETECTORS SAVE LIVES

Respectfully submitted,

FRANCIS H. NOLIN, JR., *Deputy Chief*

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	State	District	City/Town
No. of Fires	391	13	2
No. of Acres	161¾	7.16	.25

Claude Gardner
Forest Fire Warden

Clark M. Davis
Forest Ranger

SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT

ANNUAL REPORT OF ACTIVITIES

The Claremont City Council and the voters of all fourteen towns in Sullivan County adopted the District Agreement at March 1982 town meetings. The powers, duties and liabilities of the District are vested in the District Committee. The District Committee is comprised of representatives, appointed by the City Council and Boards of Selectmen, from each member community. The District Committee held its organizational meeting on May 6, 1982, Alston Barrett, Acworth, was elected Chairman and Abraham Hunter, Lempster, was elected Vice Chairman. The Treasurer of the City of Claremont was appointed Treasurer. Susan Laskoske was appointed Secretary. Additional meetings were held on August 12, October 14 and November 15, 1982.

To date, the District Committee has concentrated its activities on continued development of the NH/VT Solid Waste Project. The NH/VT Solid Waste Planning Committee, comprised of the District Committee and its counterpart, the Board of Supervisors of the Southern Windsor/Windham Counties Solid Waste Management District, met bimonthly during the past year. Efforts have been directed towards sufficient development of the Project so that key information will be available to the member communities by mid January, 1983. Summarized below are the major activities that the District has been working on:

(1) A search for a private firm willing to design, construct, finance, own and operate an energy recovery facility has been completed. Clark-Kenith, Incorporated, Atlanta, Georgia was selected and will submit a detailed proposal on January 7, 1983. The proposal will include a per ton disposal fee bid, or price per ton, that Clark-Kenith proposes to charge the District for acceptance of the solid waste at an energy recovery facility owned and operated by Clark-Kenith.

(2) A land disposal site has been selected in Newport, adjacent to the Claremont/Newport town line. Over 40,000 dollars in hydrogeologic and engineering work will be completed on the site by the first week in January, 1983. Drilling of test wells and the hydrogeologic assessment have been completed to date. The site has been shown to have favorable hydrogeologic conditions for land disposal. Positive discussions with State regulatory agencies have been held. Preliminary design and cost estimates for use of the site either as an ash disposal site or regional landfill are being finalized.

(3) The NH/VT Interstate Solid Waste Compact has been approved by the United States Congress and signed into law by the President. This

allows the two Districts to move forward towards cooperatively developing the Project.

(4) A draft transportation analysis has been completed. Cost estimates for construction and operation of transfer stations, where necessary, and transportation of the waste to Claremont have been developed. These costs will be combined with Clark-Kenith's bid, ash disposal costs, and estimated District administrative costs to provide each community with the projected 1985 total costs for participation in an energy recovery facility.

(5) A two week weighing survey was conducted at area landfills during June and September, 1982 to confirm solid waste quantities.

(6) A proposal was solicited and received from Resource Recovery Systems, Incorporated, Branford, Connecticut to operate a glass and can recycling facility in conjunction with an energy recovery facility.

(7) A draft environmental assessment of the proposed energy recovery facility has been completed and is available to interested parties.

(8) Negotiations with Central Vermont Public Service Corporation (CV) ended with a final offer from CV which the Project considers unacceptable. A petition has been filed with the New Hampshire Public Utilities Commission (PUC) requesting the PUC to establish a long-term rate. A hearing has been scheduled for February 11, 1983.

(9) Preliminary discussions have been held with communities outside of the District with respect to joining the District. Three New Hampshire communities have expressed some interest.

In summary, the District Committee should be able to make a decision on continued development of an energy recovery facility or regional landfill during January, 1983. Either facility could be operational by 1985. Total estimated costs, based on site specific engineering data and contractor bids will be available to the participating towns and cities by January 20, 1983.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Sunapee, qualified to vote in District affairs:

You are hereby notified to meet at the School Gymnasium in said District on the 7th day of March 1983 at 7:30 o'clock p.m. to act upon the Articles set forth in this Warrant not covering the election of District Officers. Said Officers will be acted upon at Town Meeting on the 8th day of March 1983 in said gymnasium with voting by official ballot and checklists and the polls will remain open for this purpose from 9 o'clock a.m. until 7 o'clock p.m.

ARTICLE 1. To choose a Moderator, Clerk, Treasurer, and two Auditors for the ensuing year, and to choose a Member of the School Board for the ensuing three years. (Article 1 will be acted upon at Town Meeting.)

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 3. To see if the District will vote to raise and appropriate the sum of $1,344,776.00, as recommended by the School Board, for the support of the schools, for the payment of salaries for School District Officials and Agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of available income estimated at $66,496.00.

ARTICLE 4. To see if the District will vote to raise and appropriate the sum of $42,000.00 for the re-roofing of the Sunapee Central School

ARTICLE 5. To see if the District will vote to raise the sum of $10,000.00 for the purpose of installing a fire alarm system, including fire and smoke detectors at the Sunapee Central School.

ARTICLE 6. To see if the District will vote to authorize the use of Capital Reserve funds, estimated at $19,000.00, to replace the 1974 mini-bus with a 32 passenger school bus.

ARTICLE 7. To see if the District will authorize the School Board to construct an athletic field on school property behind the Junior-Senior High School, and to allow the School Board to accept contributions, gifts, and grants from local, state and federal sources for this purpose.

ARTICLE 8. To see if the District will vote to authorize the School Board to dispose of the House adjacent to the Sunapee Central School and retain the property for school use in accordance with the recommendations of the Committee which was established to study the future use or disposition of the House and property.

ARTICLE 9. To see if the District will authorize the School Board to make application for, to receive and spend in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local or private agencies.

ARTICLE 10. To see if the District will vote to authorize any unencumbered balance beyond the sum of $8,300.00 accruing June 30, 1983 be placed in Capital Reserve Fund to be used for future school transportation needs.

ARTICLE 11. To transact any other business that may legally come before this meeting.

Given under our hands this 9th day of February, nineteen hundred and eighty-three.

SCHOOL DISTRICT BONDS AND COUPONS
Sunapee, N.H. 1982

I hereby certify that in my presence and in the presence of Ernest Towne, School Board Chairman and Dorothy E. Jones, School District Treasurer, the following school bonds and coupons were destroyed by burning:

Junior-Senior High School Bonds Nos. 97-108, August 1, 1982.

Interest coupons on Junior-Senior High School Bonds
Nos. 97-235 (period 17), February, 1982
(expect Nos. 185, 186, 187, 225)
Nos. 97-235 (period 18), August, 1982

Respectfully submitted,

FRANCIS C. GALLUP
Auditor

January 31, 1983

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of School Administrative Unit #43:

The American School Board Journal recently completed its fifth annual survey of school board members across the country. More than 4,200 board members responded to a survey in which they were asked to list the major concerns or problems facing the schools.

The following concerns were listed along with the percentage of responses: (1) Lack of financial support - 23.4%, (2) declining enrollment - 20.0%, (3) parent's lack of interest - 12.6%, (4) use of drugs -8.6%, (5) lack of discipline - 6.2%, (6) finding good teachers - 5.8%, (7) teachers' lack of interest - 5.3%, (8) disrespect for students and teachers - 4.3%, (9) poor curriculum and poor standards - 4.2%, (10) pupils lack of interest and truancy - 4.0%, (11) large schools and overcrowding - 2.3%, (12) crime and vandalism - 1.9%, (13) integration and busing - 1.4%.

Perhaps local citizens would have a different priority listing, but I doubt that the concerns would be very different. I would like to mention the first few items and explain how they affect us locally.

Certainly financial support of the schools is extremely important locally since our schools are almost completely funded by local property taxes. New Hampshire ranks 50th (last) in the nation in regard to state aid to local districts for public education. Each school district

has to rely almost exclusively on the local property owner for the support of schools. That is why there is such a difference in educational programs and facilities in this state. This difference is going to become greater and greater if the present method of funding our schools continues. The wealthy districts will have the better all-around programs while the poorer districts will just not be able to keep up with their neighbors.

Our schools have not been seriously affected by large decreases in student enrollment. When we have had decreases locally, we have tried to appropriately reduce our staff through retirements and normal attrition. We don't expect this to be a serious problem in the future.

Parental interest in our schools varies according to the different activities. In some districts we have very strong support for building programs, athletic programs, music activities, honor programs, student exchange activities and other special programs as they develop, and of course, we encourage all citizens and parents to participate actively in any phase of our school program.

We have spent a lot of school time and teacher time on the drug and alcohol problem. Our schools are very alert to the fact that we need to cooperate with all parts of the community to combat this serious teenage problem. We are continually trying new programs which we hope will effectively educate our students to the serious effects of these substances. We will continue to use every available means in this area, but we know that the schools cannot do it alone.

Students generally behave properly in school. But, we always have had and continue to have a small element who do not behave as they should within the school environment. Unfortunately, our teachers and adminstrators spend a disproportionate amount of their time dealing with this small number of students. Some of our schools are trying new discipline codes and new behavior modification programs specifically designed for these students. We cannot and should not spoil the learning environment for the large majority of well behaved, good mannered students just because a few continuously misbehave.

Excellent teachers have always been hard to find. But now, in some areas, good teachers and even average teachers are extremely difficult to locate. New Hampshire ranks 49th, just above Mississippi, in the average pay our teachers receive. The typical teacher in Massachusetts earns $5,200 more a year than the same teacher in New Hampshire. Why would a teacher or administrator choose to come to New Hampshire when 48 other states will pay more for the same work?

Our school districts have always maintained excellent programs with the financial resources available. It is going to be much more difficult to accomplish this in the next few years.

Respectfully submitted,

JOHN H. SOKUL
Superintendent
of Schools

REPORT OF THE
JUNIOR—SENIOR HIGH SCHOOL PRINCIPAL

Commencement exercises for Sunapee High School were held on June 17, 1982.

Mr. David W. Sherburne, completing 34 years of service, (30 as principal) presented diplomas to 47 graduates: Stephen Ansart, Michael Baffa, Pamela Bailey, Patricia Bailey, Birnie F. Bickford, II, Michael Baker, Lisa Bungay, Ernest Collins, Jr., Kim Cousens, Christine Coval, Lynn Cusano, Fiona Davey, Don Densmore, Mary DiPadova, Scott Drew, Clifford Field, Tammy Fulton, James Godwin, James Goin, Cheryl Gonyo, Deborah Hand, Tracey Harding, Kirsten Hershey, Kimberly Herrin, Ellen Krajcik, Richard Leslie, Esther Lopez, Billie Lovejoy, William Lubrano, Alan Murray, Wendy Page, Timothy Parenteau, Teresa Pross, Dana Ramspott, Christina Richardson, Douglas Richardson, Jr., Tammy Russell, Heidi Schweitzer, Peter Schweitzer, Lori Seale, Gregory Smith, H. Kurtis Smith, Debra Squiers, Patrick Tuohy, III, Jeffrey Warren, Julie Weinstein, Jennifer Wyman.

New awards given for the first this year included two by the New London Rotary Club. The first of these was an "Outstanding Service Award" given to a student who exemplifies the club's motto "Service Above Self". Patrick Tuohy was the recipient for 1982.

The first Rotary Club Scholarship, based on, need, class standing and community service was presented to Teresa Pross.

The First Citizen's National Bank presented its first award in the memory of Catherine Harold to Fiona Davey.

Peter Schweitzer was the recipient of the first Newport Area Knight's of Columbus Scholarship.

Students receiving all other awards and scholarships were as follows:

Valedictorian, Billie Lovejoy
Salutatorian. Fiona Davey
Third Honors, Pamela Bailey
Sunapee High School Alumni Scholarships,
Patricia Bailey and Ernest Collins, Jr.
Murvin A. Bailey Award, Fiona Davey
Coaches Awards:
Christine Coval, Fiona Davey, Walter Graf, Ellen Krajcik, Billie Lovejoy, Alan Murray, Patrick Tuohy, Jeffrey Warren, Jennifer Wyman.
Daughters of the American Revolution Award, Fiona Davey
Annie G. Leone Scholarship, Ellen Krajcik

John Segalini Scholarship, Deborah Hand
Nathan Johnson Citizenship Award, Silvia Graf
Sunapee Teachers Association Scholarship, Gregory Smith
Sunapee Teachers Association Practical Arts Award, James Goin
Sugar River Savings Bank Scholarship, Ernest Collins, Jr.
Lake Sunapee Savings Bank Scholarship, Gregory Smith
Herbert B. Sawyer Scholarship, Julie Weinstein
John and Della Emerson Scholarship, Billie Lovejoy
Bausch & Lomb Honorary Science Award, Gregory Smith

The following students are presently eligible for membership in the Sunapee High School Honor Society for 1982-83:

Seniors: Theresa Carey, Albert Dargie, Kim Dashner, Blake Dickinson, Tammy Gross, James Murray, Deborah Smith, Sharyn Smith, John Wiggins.

Juniors: Nicole Bergeron, Steven Britton, Anne DiPadova, Brenda Engelstad, Thomas Heiner, Lorena Krajcik, Ronald Shackett.

Sophomores: Matthew Duggan, Thomas Lohman, Mary Lovejoy, Kristen Ostrom, Matthew Smith, Patricia Sullivan, Timothy McGinnis.

We are extremely pleased to announce that the New England Association of Schools and Colleges, Inc. has accepted our two year progress report and our accreditation has been extended to March 1, 1985.

I wish to extend my appreciation to Mr. David W. Sherburne for his fine support in helping me prepare for my first year in transition. I particularly value the consideration and assistance from the students, parents, staff, schoolboard and the S.A.U. #43 office.

Respectfully submitted,

RICHARD C. LEONE,
Principal

REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

The 1982-83 school year began with an enrollment of 203 pupils. Once again the uneven distribution of students enrolled at all grade levels continues to necessitate the formation of combination grades. This year we have three combinations. They include a combination 1-2, 2-3, and 5-6. Next year the shift in enrollment may see an apportionment of students prompting as many as four combination grades.

In September we instituted a new Readiness Class after realizing that several youngsters enrolling at Sunapee Central for their first year were definitely not ready for a formal first grade program. We have been very pleased with our Readiness results thus far.

Curriculum development continues on a regular basis with staff members constantly evaluating and revising programs and materials. A new science and social studies series has been adopted. The mathematics discipline is presently being reviewed and much consideration is being given to the use of computers in the classroom at the elementary level.

Besides the regular basic curriculum, many co-curricular programs are offered to students throughout the school year which give each child an opportunity to develop or improve specific skills and talents. Some of these include intramural soccer, basketball for 6th grade students, piano and guitar lessons, and our Winter Activity Program (WAP), which offers skiing, gymnastics, crafts, puppetry, woodworking, cooking, and computer instruction.

The Sunapee Parent-Teacher Organization (SPTO) continues to be very active and supportive of all school programs. A special commendation should be offered to Mrs. Donna Jonas for her capable leadership as SPTO President.

Sunapee students are indeed fortunate to be the recipients of the results of a strong team of parents, teachers, and volunteering community members sharing in a most positive and productive educational process.

Respectfully,
Donald R. Stowe
Principal
